Chapter 1: BUTTERFLY ON OTHER SIDE

Butterfly ran around, chasing Princess. "Haha you can't get me!" Princess called out. Butterfly gave a growl of frustration. "Ha!" Princess turned around and faced Butterfly and Princess pounced on Butterfly. Butterfly dodged and gave a surprise jump.
"Those kittens are gonna hurt each other...." Bella, the mother of Butterfly and Princess, said to herself. A red-and-white cat walked next to Bella.
"Don't be so nervous, Bella," the cat said.
"I know, Tail. But I don't want them to get hurt. Look at how young they are!" Bella replied.
Tail sighed. "Your right. But the play fighting helps them get better skills. What if they are in danger? Did you see Butterfly dodge Princess's surprise attack? She did great!" He said.
"Why did I even--"
"Bella! Whatever you were going to say, it was a great choice. Look at where you are living!" Tail said. "And I am glad to be those kits' father."
Bella walked away. "That cat has attitude," Tail said to himself. Princess spotted her father and ran to Tail. "Dad!" She called. Tail smiled.
"Where's Ma?" Butterfly asked with a mischief look on her face. Tail hoped Butterfly didn't hear his conversation with Bella. "She is out hunting," He lied.
Butterfly frowned. "Liar! Where did she go? Tell me! No lies!" She hissed at Tail and scratched him on purpose.
"You...you don't hurt your father! Why did you do that? Butterfly, look what you've done!" Tail said. He held out his leg and showed Butterfly a bleeding scar. "Now you say sorry, daughter."
Butterfly gave him a rude look. "Never!" She spat. "Mom says she wishes you were a house cat! I stick up for her, cause I wonder what you've done. You are the worst cat I ever met, dad."
Tail was shocked. "This must of been a mistake. I didn't do anything wrong! Princess, please be on my side!"

Princess looked from her sister to her father. "Of course I will help my dad. Why would I help a selfish kit?"
Tail smiled. "Butterfly, why do you think that I am bad?"
Butterfly hissed again and said, "Dove said that you stole food and is a huge criminal. Dove is planning to kill you."
Tail said, "That's a whole bunch of big, fat lies."
Butterfly bit his back. "Your just saying that to not get killed."
Tail backed away. How did Dove get all this *nonsense* from?
